Process Guide 4 - Query Escalation Guide

Process Name	Query Escalation
Department	Human Resources
Prepared By	Deepika Penugonda
Date	June 2026
Version	1.0

1. Purpose

To ensure all HR queries and issues are escalated to the right person at the right time with zero delays

2. Escalation Matrix Table

Query Type	Level 1	TAT	Level 2	TAT
Resume screening query	HR Intern	2hrs	HR Manager	4hrs
Interview scheduling conflict	HR Intern	1hr	HR Manager	2hrs
Offer letter query	HR Associate	4hrs	HR Manager	8hrs
Onboarding document issue	HR Intern	2hrs	HR Manager	4hrs
Candidate dropout	HR Associate	Same day	HR Manager	Same day

3. Escalation Rules

Rule 1 - Always attempt resolution at Level 1 first

Rule 2 - Escalate to Level 2 only if TAT is breached

Rule 3 - Document all escalations in tracker

Rule 4 - Inform candidate of any delays immediately

Rule 5 - All escalations to be closed within 24 hours

4. Documents Needed

- Query Log
- Escalation Tracker
- Communication Templates
